CANDIDATE'S GUIDE

2016

**Issued by the
STATE BOARD OF ELECTIONS**

PREFACE

This *Candidate's Guide* has been prepared to provide information for candidates seeking office in 2016. It includes a listing of the offices to be nominated or elected, filing dates, general requirements for filing, and specific requirements for individual offices. In addition, information is provided regarding nomination procedures and the objection process. Also included is a section that provides answers to some of the more frequently asked questions about nominating petitions and procedures. A signature requirements section is included at the end of the guide.

All citations contained herein refer to the Illinois Election Code (10 ILCS 5/1-1 et seq., as amended) or as otherwise indicated. This Guide may be amended to include new legislation and court decisions. Please visit the Illinois State Board of Election's website (www.elections.il.gov) for any updates.

Legal information contained in this guide is not binding and should not be construed as sufficient argument in response to an objection to any candidate's nominating papers. The State Board of Elections recommends that all prospective candidates consult with competent legal counsel when preparing their nominating papers.

Statutory deadlines for filing objections and for withdrawing from all but one incompatible office will depend on the filing period. Specific deadline dates can be found in the SBE *Election and Campaign Finance Calendar for 2016*. The calendar, this guide, and filing date announcements can be found on the State Board of Elections' web site:

Additional information may be obtained by contacting your election authority (county clerk or board of elections commissioners) or the State Board of Elections in Springfield (217/782-4141) or Chicago (312/814-6440).

Failure to file the certificate will not invalidate the petitions but will preclude the new party from being able to fill any vacancy that may occur. [See Peoples Independent Party. v. Box 4187, Springfield, IL 62708. (Use the P.O. Box for mailing, not the street address.) Nominating petitions received through other delivery systems are not considered "mail" and will not be included in the lottery. If the candidate notifies the State Board of Elections, appropriate election authority or local election official, the last set of petitions filed shall be the only petitions to be considered valid. Judicial candidates at the circuit court level are limited to filing a petition for one circuit court vacancy and/or a petition for one subcircuit vacancy in any filing period. [10 ILCS 5/7-12 (9)]

- c. The candidate's given name or names, initial or initials, nickname by which the candidate is commonly known, or a combination thereof, may be used in addition to the candidate's surname. No other designation such as a political slogan, title, degree or nickname suggesting or implying possession of a title, degree or professional status, or similar information may be used in connection with the candidate's surname.
[10 ILCS 5/7-10.2, 7-17(b), 8-8.1, 10-5.1, 16-3(e)]

NOTE: If a candidate has changed his or her name, whether by a statutory or common law procedure in Illinois or any other jurisdiction, within 3 years before the last day for filing the petition or certificate for that office, whichever is applicable, then (i) the candidate's name on the petition or certificate must be followed by "formerly known as (list all prior names during the 3-year period) until name changed on (list date of each such name change)" and (ii) the petition or certificate must be accompanied by the candidate's affidavit stating the candidate's previous names during the period specified in (i) and the date or dates each of those names was changed; failure to meet these requirements shall be grounds for denying certification of the candidate's name for the ballot or removing the candidate's name from the ballot, as appropriate, but these requirements do not apply to name changes resulting from adoption to assume an adoptive parent's or parents' surname, marriage to assume a spouse's surname, or dissolution of marriage or declaration of invalidity of marriage to assume a former surname.

[10 ILCS 5/7-17 (b), 16-3(e)]

[10 ILCS 5/7-17(c), 16-3(f)]

- b. Petition sheets must **not** be circulated more than 90 days preceding the last day for the filing of the petitions. The circulator's statement on a candidate's petition sheet must specify either the dates on which the sheets were circulated, the first and last dates on which the sheet was circulated or that none of the signatures on the sheet were signed more than 90 days preceding the last day for filing the petitions. [10 ILCS 5/7-10, 3-1.2, 8-8, 10-4]
- g. Signatures may be struck from the petition by the circulator or the candidate, prior to filing, in the following manner:

 - 5) For all new political party petitions, the petition must have attached thereto a certificate (SBE suggested form P-8C) stating the names and addresses of the party officers authorized to fill vacancies in nomination. 1. Each candidate, whether an individual candidate or one whose name appears on a group petition or certificate of nomination, must complete and file a Statement of Candidacy. The form of the candidate's name, as printed and signed, should match the name as printed on the petition. Furthermore, the address of the candidate; the office for which the person is a candidate; political party designation, if applicable; and statements that the person is qualified for the office specified, should also match the information as printed on the petition. See each individual office in this guide for the correct SBE Statement of Candidacy form. **THIS STATEMENT MUST ACCOMPANY THE NOMINATION PAPERS.**
2. In the designation of the name of a candidate on a petition for nomination or certificate of nomination, the candidate's given name or names, initial or initials, a nickname by which the candidate is commonly known, or a combination thereof, may be used in addition to the candidate's surname. The State Board of Elections will certify each candidate's name as it appears on the first numbered page of the petition. Other filing offices may refer to other documents such as the Statement of Candidacy when determining the actual name to be certified. No other designation such as a **"POLITICAL SLOGAN"**, title, degree or professional status, or similar information may be used in connection with the candidate's surname. [10 ILCS 5/7-10.2, 7-17(b), 8-8.1, 10-5.1, 16-3(e)]

NOTE: If a candidate has changed his or her name, whether by a statutory or common law procedure in Illinois or any other jurisdiction, within 3 years before the last day for filing the petition or certificate for that office, whichever is applicable, then (i) the candidate's name on the petition or certificate must be followed by "formerly known as (list all prior names during the 3-year period) until name changed on (list date of each such name change)" and (ii) the petition or certificate must be accompanied by the candidate's affidavit stating the candidate's previous names during the period specified in (i) and the date or dates each of those names was changed; failure to meet these requirements shall be grounds for denying certification of the candidate's name for the ballot or removing the candidate's name from the ballot, as appropriate, but these requirements do not apply to name changes resulting from adoption to assume an adoptive parent's or parents' surname, marriage to assume a spouse's surname, or dissolution of marriage or declaration of invalidity of marriage to assume a former surname. [10 ILCS 5/7-10.2, 7-17 (b), 8-8.1, 10-5.1, 16-3(e)]

3. The candidate must swear to or affirm and sign the Statement of Candidacy, and the statement must be notarized.
4. A person who filed a statement of candidacy for a partisan office as a qualified primary voter of an established political party or who voted the ballot of an established political party at a general primary election may not file a statement of candidacy as a candidate of a different established political party or as an independent candidate for a partisan office to be filled at the general election immediately following the general primary for which the person filed the statement or voted the ballot. A person may file a statement of candidacy for a

partisan office as a qualified primary voter of an established political party regardless of any prior filing of candidacy for a partisan office or voting the ballot of an established political party at any prior election. [10 ILCS 5/7-43) (f)]

D. STATEMENT OF ECONOMIC INTERESTS - RECEIPT

1. Each candidate must file a receipt indicating that he or she has filed a Statement of Economic Interests as required by the Illinois Governmental Ethics Act. TERM OF OFFICE: Supreme Court and Appellate Court Judges, 10 years
Circuit Court Judges, 6 years
[Ill Constitution, Article VI, Section 10]

ELECTION: Judicial vacancies and newly created judicial offices are initially elected on a partisan basis. The State Board of Elections is provided with a certification from the Chief Justice of the Illinois Supreme Court delineating which vacancies will be filled by election in the year 2016. Interested citizens may contact the State Board of Elections to learn which judicial offices will be filled by election. The judicial office being sought is the vacancy of the preceding ELECTED judge, not the judge appointed to fill the vacancy until the next election. The nominating petitions and Statement of Candidacy must state the exact vacancy or the exact additional judgeship that the candidate is seeking.

RETENTION/
VACANCIES: Once elected to office, a judge may seek to retain that office at the expiration of the term by seeking retention on a special ballot separate from the regular ballot. No party affiliation is indicated on a retention ballot. Nominating petitions are not required to seek retention for another term.

A Declaration of Judicial Candidacy to succeed oneself must be filed in the office of the Secretary of State on or before Sunday May 8, 2016 (not less than six months before the General Election preceding the expiration of his/her term of office). [Illinois Constitution, Article VI, Section 12(d)]

JUDICIAL SUB-
CIRCUITS:

It is the duty of the Administrative Office of the Illinois Courts to assign judgeships to the subcircuits as vacancies occur as well as additional judgeships created by legislation. Interested citizens may contact the State Board of Elections.

NOTE: When a vacancy occurs in the office of Supreme, Appellate, or Circuit Court Judge within the three week period preceding the 106th day before a General Primary Election (November 9 thru November 30th, 2015), a special filing period shall be held not more than 92 nor less than 85 days prior to the date of the General Primary Election (December 14 – December 21, 2015). Consult the Administrative Office of the Illinois Courts and the State Board of Elections concerning newly created vacancies. On or before Sunday May 8, 2016 (not less than six months before the General Election preceding the expiration of his/her term of office), any elected judge who wishes to seek retention shall file in the Office of the Secretary of State, a Declaration of Judicial Candidacy to succeed himself/herself. [10 ILCS 5/7-12(1)]

NOTE: PA 97-81 amended 10 ILCS 7-12(9), effective July 5, 2011, such that judicial candidates at the circuit court level are limited to filing a petition for one circuit court vacancy and/or a petition for one subcircuit vacancy in any filing period. For any individual circuit court judge candidate, the State Board of Elections will accept only one petition for a circuit court vacancy and/or only one petition for a subcircuit vacancy in any filing period. A new circuit court or subcircuit judgeship created by statute or by conversion of a resident judge position to a subcircuit position is a vacancy. A resident judge vacancy is a circuit court vacancy.

For “in person” petition filings, the SBE staff will accept from any candidate (or filing agent) only one petition for a full circuit judicial vacancy and only one petition for a subcircuit judicial vacancy in any filing period. The staff will refuse to accept any additional judicial petition filings at the circuit court level for that candidate.

For petition filings by mail or by commercial carriers, the SBE staff will accept and process only one petition for a full circuit judicial vacancy and only one petition for a subcircuit judicial vacancy in any filing period for any candidate.

If multiple petitions are sent in a single envelope (or package):
If the candidate designates a particular petition as the chosen petition, the staff will accept that petition and return the rest of the petitions to the candidate.

In the absence of a designation by the candidate and if the petitions are all oriented such that the print side of each petition faces the same way, the staff will accept the top petition in the pile and return the rest of the petitions to the candidate.

In the absence of a designation by the candidate and if the petitions are not all oriented with the print facing the same way, the staff will accept the petition that was on top of the pile when the petitions were removed from the envelope with the postage, postmarked and/or mailing label side of the envelope or package facing up, and return the rest of the petitions to the candidate.

If petitions are mailed in multiple envelopes, the first envelope processed will be the one accepted and all other petitions will be returned to the candidate.

A withdrawal of an accepted petition will be accepted, but no new petition for a different judicial vacancy will be accepted after a withdrawal. Withdrawal and filing of a new petition for the same vacancy will be permitted

If the new party receives more than 5% of the total votes cast at the General Election for Governor, it becomes an established political party as to the State, and as to any district or political subdivision thereof.
[10 ILCS 5/7-2 and 10-2]
2. The name for the new political party cannot contain more than five words. The new party name cannot bear the same name or include the name of any established political party. [10 ILCS 5/10-2, 5/10-5]
(However, see Norman v. Reed, 112 S.Ct. 698, 502 U.S. 698, which held that Illinois' provision prohibiting use of the name of an established party so as to bar candidates running in one political subdivision from ever using the name of a political party established only in another, sweeps broader than necessary to advance electoral order, and, accordingly, violated the First Amendment right of political association.
3. New party candidates seeking county office where officers are elected from districts and at-large should follow 10 ILCS 5/10-2 which provides in part:

....“In the case of a petition to form a new political party within a political subdivision in which officers are elected from districts and at-large, such petition shall consist of separate components for each district from which an officer is to be elected. (Petition - SBE No. P-8B). Each component shall be circulated only within a district of the political subdivision and signed only by qualified electors who are residents of that district. Each sheet of such petition must contain a complete list of the names of the candidates of the party for all offices to be filled in the political subdivision at-large, but the sheets comprising each component shall also contain the names of those candidates to be elected from the particular district. Each component of the petition for each district from which an officer is to be elected must be signed by qualified voters of the district equaling in number not less than 5% of the number of voters who voted at the next preceding regular election in such district at which an officer was elected to serve the district. The entire petition, including all components, must be signed by a total of qualified voters of the entire political subdivision equaling in number not less than 5% of the number of voters who voted at the next preceding regular election in such political subdivision at which an officer was elected to serve the political subdivision at-large”...

4. Nomination papers for a new political party must include a Certificate of Officers (SBE Form P-8C) listing the names and addresses of the new party officers authorized to fill vacancies in nomination. **Failure to file this certificate may result in the party forfeiting the right to fill vacancies in nomination, but will not invalidate the petition. (Peoples Independent Party v. Petroff, App 5 Dist. 1989, 138 Ill.Dec. 915) [10 ILCS 5/10-5, 10-11]**

(See “Requirements for Filing Nominating Papers” beginning on page 1 for more detailed information.)

Nomination papers for new party candidates must also include the following documents [10 ILCS 5/10-5]:

- a. A Statement of Candidacy for each candidate;
 - b. Loyalty Oath for each candidate (optional);
 - c. A receipt for the filing of each candidate’s Statement of Economic Interests; (see page 10)
5. The party must nominate one candidate for each office to be filled within the political subdivision at the General Election. In the case of group offices, the number of candidates nominated must equal the number of positions being elected. *Reed v. Kusper*, 154 Ill.2d 77, 180 Ill.Dec.685, 607 N.E.2d 1198 (1992); *Green Party v. Henrichs*, 355 Ill. App. 3d 445, 291 Ill. Dec. 35, 822 N.E.2d 910 (s Dist. 2005).
 6. Nomination papers for new political parties must be filed with the State Board of Elections for federal, state, judicial, and multi-county offices, with the county clerk for county offices, candidates in DuPage County file with the DuPage County Board of Election Commissioners and candidates in Peoria County file with the Peoria County Board of Election Commissioners during the filing period June 20 - 27, 2016. [10 ILCS 5/10-6]
 7. Signature requirements and other relevant information for filing are detailed under the specific offices listed elsewhere in this Guide.
 8. If a new political party is invalidated in its entirety by an electoral board or upon judicial review, the new party officers cannot replace the entire slate of candidates on the pretext of filling vacancies in nomination. **People ex. Rel. Vigilant Party vs. Village of Dolton**, 118 Ill. App. 2d 392, 254 NE 2d 832 (1969) [10 ILCS 5/10-7]

9. A candidate for whom a nomination paper has been filed as a partisan candidate at a Primary Election, and who is defeated for nomination, is prohibited from being listed on the ballot at the General Election as an independent candidate or as a candidate of another political party, and may not file a Declaration of Intent to be a Write-In Candidate at that General Election.
[10 ILCS 5/7-61, 10-2, 10-3, 17-16.1, 18-9.1]

C. NOMINATION OF INDEPENDENT CANDIDATES

1. Independent candidates are those individuals who are not candidates of any political party, but who are candidates in a General Election at which party candidates may appear on the ballot. Such candidates are listed on the ballot under the heading, "Independent." [10 ILCS 5/10-3]
2. Nomination papers must be filed with the State Board of Elections for federal, state, judicial and multi-county offices, with the county clerk for county offices. Candidates in DuPage County file with the DuPage County Board of Election Commissioners. Candidates in Peoria County file with the Peoria County Board of Election Commissioners during the filing period June 20 – 27, 2016
[10 ILCS 5/7-12, 10-6]
3. Signature requirements and other relevant information for filing are detailed under the specific offices listed elsewhere in this guide.
4. An independent candidate is an individual candidate not supported by a political party structure. Therefore, there is no political party organization to fill the vacancy in nomination. [10 ILCS 5/10-7]
5. Independent candidates seeking election should review the information contained in "Requirements for Filing Nomination Papers," beginning on page 1.
6. A candidate for whom a nomination paper has been filed as a partisan candidate at a Primary Election, and who is defeated for nomination, is prohibited from being listed on the ballot at the General Election as an independent candidate or as a candidate of another political party, and may not file a Declaration of Intent to be a Write-In Candidate at that General Election.
[10 ILCS 5/7-61, 10-3, 17-16.1, 18-9.1]
7. A person who filed a statement of candidacy for a partisan office as a qualified primary voter of an established political party or who voted the ballot of an established political party at a general primary election may not file a statement of candidacy as a candidate of a different established political party or as an independent candidate for a partisan office to be filled at the general election immediately following the general primary for which the person filed the statement or voted the ballot. [10 ILCS 5/7-43]

D. WRITE-IN CANDIDATE PROCEDURES

1. A candidate who is defeated for nomination at the General Primary Election is prohibited from filing a Declaration of Intent to be a Write-In Candidate at the subsequent General Election. [10 ILCS 5/17-16.1, 18-9.1]
2. A write-in candidate must file a notarized “Declaration of Intent to be a Write-In Candidate” no later than 61 days prior to the election. However, whenever an objection to a candidate's nominating papers or petitions for any office is sustained after the 61st day before the election, the candidate may file a notarized declaration of intent to be a write-in candidate for that office with the proper election authority or authorities no later than 7 days prior to the election. The declaration must be filed with the proper **election authority or authorities** in those jurisdictions in which he or she is seeking to be a write-in candidate. **Declarations of Intent forms are NOT TO BE FILED with the State Board of Elections.** [10 ILCS 5/7-59(b), 17-16.1, 18-9.1]

The “Declaration of Intent to be a Write-in Candidate” form can be obtained from the election authority’s office, i.e., the county clerk or board of elections commissioners. [10 ILCS 5/17-16.1, 18-9.1]

3. To qualify as a candidate for an established political party in a General Election, a write-in candidate at a Primary Election for that party must receive the number of votes that is equal to or greater than the number of signatures required on a petition for that office if the number of candidates whose names appear on the primary ballot is less than the number of persons the party is entitled to nominate or elect to that office at the Primary Election. [10 ILCS 5/7-59]
4. The number of votes required for write-in candidates to be nominated or elected to an office at a **Primary Election**, as outlined above, does not apply if:
 - (a) The number of votes he/she receives exceeds the number of votes received by at least one of the candidates whose name was printed on the ballot for nomination or election to the same office; or
 - (b) The number of candidates whose names appear on the ballot equals or exceeds the number of persons the party is entitled to nominate or elect to that office. [10 ILCS 5/7- 59 (c) (1)]
5. A winning write-in candidate who receives the required number of votes at a Primary Election must file: 1) a Statement of Candidacy; 2) a receipt for the filing of the Statement of Economic Interests (exception: federal and party offices); 3) a Loyalty Oath (optional). These forms must be filed within 10 days of the canvass. The forms must be filed with a certifying officer or board (example: winning write-in candidate for State Representative would file with the State Board of Elections). [10 ILCS 5/7-60]

E. FILING FOR INCOMPATIBLE OFFICES

If petitions for nominations have been filed for the same person for two or more offices which are incompatible, (e.g., State Senator and State Representative), so that the same person could not serve in more than one of such offices if elected, that person must withdraw as a candidate from all but one of such offices within five business days following the last day for petition filing. If petitions are filed for the same person with respect to more than one political party, the candidate shall not be certified for either primary ballot. Judicial candidates at the circuit court level are limited to filing a petition for one circuit court vacancy and/or a petition for one sub-circuit vacancy in any filing period.
[10 ILCS 5/7-12, 8-9 and 10-7]

For questions concerning compatibility of offices, contact the Opinions Division of the Attorney General's office at 217/782-9070

For the purpose of determining eligibility to sign a nominating petition or a petition proposing a public question, the terms "voter," "registered voter," "qualified voter," "legal voter," "elector," "qualified elector," "primary elector," and "qualified primary elector" shall mean a person who is registered to vote at the address shown opposite his/her signature on the petition or was registered to vote as such address when he/she signed the petition. [10 ILCS 5/3-1.2]
2. Whenever a statute requires that a nominating petition or a petition proposing a public question shall be signed by a specific percentage of the registered voters of the state, a political subdivision or district, the total number of voters to which the percentage is applied shall be the number of voters who are registered in the state, political subdivision or district, as the case may be, on the date registration closed before the regular election next preceding the last day on which such petition may be filed. [10 ILCS 5/3-1.3]
3. When computing signature requirements, the number of primary electors is determined as follows: a) in a district, the total vote cast for the candidate for such political party who received the highest number of votes, statewide, at the last General Election in the state at which electors for President of the United States were elected, and b) in a political subdivision, the total vote cast for the candidate for such political party who received the highest number of votes in such political subdivision at the last regular election at which an officer was regularly scheduled to be elected from that subdivision. [10 ILCS 5/7-10]
4. When a candidate withdraws his or her nominating petition, the original petition is not returned to the individual, but remains in the office of either the State Board of Elections, the election authority or the local election official.
[10 ILCS 5/7-10, 10-4]

5. Blank nomination petitions may be reproduced prior to circulation. The signatures of the signers (voters), circulator and the notary public must be original.

[10 ILCS 5/10-10, 5/10-10.1]

STATE BOARD OF ELECTIONS – RULES AND REGULATIONS
(As codified under the Illinois Administrative Procedures Act)
Title 26, Chapter 1.

Section 201.40 Simultaneous Filing for the Same Office – LOTTERY

Simultaneous filings of candidate nominating petitions for the same office occur only at 8:00 a.m., or the opening hour, on the first day of filing. The lottery system to be used by the State Board of Elections, the election authority, or the local election official to break ties resulting from such simultaneous filings must be approved by the State Board of Elections. The following system has been so approved:

- a) The names of all candidates who filed simultaneously for the same office shall be listed alphabetically and shall be numbered consecutively commencing with the number one which shall be assigned to the candidate whose name is listed first on the alphabetical list; provided, however, that candidates filing a group petition for the same office shall be treated as one in the alphabetical list. For example, if five candidates by the name of Downs, Brown, Edwards, Cook and Adams have filed simultaneously, they will be arranged alphabetically and assigned numbers as follows: Adams, one; Brown, two; Cook, three; Downs, four; and Edwards, five. However, if Cook and Adams filed a group petition and Cook's name appeared first on the petition, then the candidates would be arranged as follows: Brown, one; Cook and Adams, two; Downs, three; and Edwards, four.
- b) All ties will be broken by a single drawing. A number shall be placed in a container representing each number assigned to each candidate and group of candidates pursuant to the alphabetical listing procedures set forth in paragraph a) above. For example, if the largest number to be used for any office is five, then numbers one, two, three, four and five will be placed in a container. In this manner, sufficient numbers will be placed in the container to conduct a drawing for all offices at the same time.
- c) After the numbers are placed in the container, they shall be drawn one at a time from the container after they have been thoroughly shaken and mixed. The candidate or group of candidates in the position on an alphabetical list corresponding to the first number drawn shall be certified ahead of the other candidates listed on the alphabetical list. The candidate or group of candidates in the position on the alphabetical list corresponding to the second number drawn will be certified second and so forth until all numbers have been drawn. For example, where no group petitions were filed, if candidates Adams, Brown, Cook, Downs, and Edwards filed simultaneously at 8:00 a.m. on the first day of filing, and the number three is first drawn, then candidate Cook, who is listed in the third position on the alphabetical list, shall be certified first on the ballot. If the number one is drawn second, then candidate Adams, who is listed in the first position on the alphabetical list, shall be certified second on the ballot...and so on. For offices where group petitions were filed, using the example set forth above where candidates Cook and Adams file a group petition for the same office, and Cook's name appears first on the petition, and number three is drawn first, then candidate Downs would be listed first. If

the number two is drawn second, then candidates Cook and Adams would be certified second and third, respectively. If the number four is drawn third, then candidate Edwards would be certified fourth....and so on. In districts with fewer names on the alphabetical list than are in the drawing, then all numbers in excess of the number of candidates or group of candidates that appear on the particular alphabetical list shall be disregarded. Thus, if five numbers are placed in the container, and only four candidates or groups of candidates are on a particular list, then the number five shall be disregarded. For example, if candidates Adams and Cook, filing separate petitions, are the only candidates listed on the alphabetical list and five numbers are chosen in the following order: 3, 5, 4, 2 and 1, then candidate Cook's name will appear in the certification prior to the name of candidate Adams.

- d) * If at 5:00 p.m. on the last day of filing, two or more nominating petitions for the same office are presented; they shall be deemed filed in the order of actual receipt. Ballot position shall be assigned consecutively to these petitions with the first petition received placed upon the ballot before the second set of petitions received and so on. No nominating petitions will be accepted after 5:00 p.m.

*** Since the creation of the above rule, P.A. 97-1044 (Effective January 1, 2013) and P.A. 98-115 (Effective July 29, 2013), provide that 2 or more petitions filed within the last hour of the filing deadline are deemed filed simultaneously and the order of candidate placement on the ballot will be determined by a separate lottery drawing. [10 ILCS 5/7-12(6); 5/8-9(2); 5/10-6.2]**

- e) All candidates shall be certified in the order in which petitions have been filed with the State Board of Elections, election authority or the local election official. In cases where candidates have filed simultaneously, they shall be certified (in the order determined by the lottery procedure outlined above) prior to candidates who filed for the same office who filed their petitions at a later time, except in those situations where the law requires rotation on a district-by-district basis.

[10 ILCS 5/7-10, 10-4]

- 2. May a voter who voted Republican in the last Primary Election now sign a petition for a Democratic candidate?**

Yes, however, no one may sign petitions for candidates of more than one political party for the **same** Primary Election.

Kusper v. Pontikes, 414 U.S. 51, 94 S. Ct. 303 (1973); Sperling v. County Officers Electoral Board, 57 Ill.2d 81, 309 N.E. 2d 589 (1974)

[10 ILCS 5/7-10, 10-3]

- 4. How should the voter sign his name when he signs the petition?**

The voter should sign the petition with the same name as he or she is registered to vote. However, signing with a nickname will not invalidate the signature, provided the voter can be identified and it can be shown that he or she is lawfully registered to vote and qualified to sign the petition.

- 5. Are pencil signatures allowed?**

Yes, but it is advisable to use a pen with dark ink.

- 6. Are abbreviations allowed on petitions?**

CIRCULATORS

8. May a candidate circulate his or her own petition sheets?

Yes.

9. When can the circulator start collecting signatures?

No more than 90 days prior to the last day for filing petitions. (See page ii)

[10 ILCS 5/7-10]

FILING PETITIONS

16. May a candidate file in person and by mail?

Yes. However if the candidate wishes to be in the lottery for the first ballot position, it is advisable to file in person, as only candidates whose petitions are received in the first mail delivery on the first day of filing are eligible for the lottery.

17. May a petition contain the names of two or more candidates of the same established party?

Yes. An established party may file a slate of candidates for offices to be filled within the State, county or a district (e.g.: Judicial). However, each candidate of the slate must individually file a Statement of Candidacy and a receipt for filing a Statement of Economic Interests. The Statement of Candidacy and the receipt for each candidate must be attached to the original slate petition.

18. When must a petition be filed with a complete slate of candidates?

New political parties must file a complete slate of candidates for offices in the political subdivision or district from which they wish to run for office. 19. If you are first in line or your petition is in the first mail pickup or delivery of the day, will you be first on the ballot?

Not necessarily. If there are two or more candidates in line prior to the opening of the office filing from the same party and for the same office, they would be considered as filing simultaneously along with any petition in the first mail pickup or delivery and will be involved in a lottery to determine ballot position.

[10 ILCS 5/7-12(6), 8-9(2), 10-6.2]

STATE BOARD OF ELECTIONS – RULES AND REGULATIONS
(As codified under the Illinois Administrative Procedures Act)
Title 26, Chapter 1 Section 201.40

NOTE: Candidates who file petitions during the last hour of filing (between 4PM and 5PM) on the last day to file petitions are also eligible for a lottery to determine the final ballot position.

20. Must the notary of the petition be an Illinois notary, and may the notary also be a signatory of the petition?

Under the provisions of the Uniform Recognition of Acknowledgements Act:
[765 ILCS 30/2]

“Notarial acts may be performed outside this State for use in this State with the same effect as if performed by a notary public of this State by the following persons authorized pursuant to the laws and regulations of other governments in addition to any other person authorized by the laws and regulations of this State:

(1) “A notary public authorized to perform notarial acts in the place in which the act is performed. ...”

For additional information, contact the Index Department of the Secretary of State’s Office, 111 E. Monroe, Springfield, IL 62756-0001, Phone 217/782-7017.

It has not been definitively determined whether a notary may also be a signatory to a petition. Some electoral boards and Circuit Courts have upheld petitions where the notary was also a signer of the petition, but the issue has not yet been decided by the Supreme Court or any Appellate Court in Illinois. A cautious candidate might wish to avoid using a petition signer as the notary so as to avoid the risk of having to defend against an objection on this issue.

21. Is a lottery conducted for party placement on the ballot?

For the General Election, a lottery is conducted by each election authority for all established parties to determine the proper order of party placement on the ballot. This lottery is held within 30 days following the proclamation of the results of the Primary Election. New parties are involved in a lottery when there is a simultaneous filing with the State Board of Elections or the county clerk. The State Board of Elections conducts the lottery for new parties that file in the Springfield office and the election authorities must use such order. No party lottery is done for the Primary Election since each party has its own ballot, separate from any other established party. [10 ILCS 5/7-60]

22. In filing a petition to fill a vacancy in the office of Circuit Judge, must the petition contain the vacancy for which the candidate is filing?

Yes. For example, “To fill the vacancy of the Honorable John Jones.” The vacancy is for the preceding elected judge, not the interim appointee.

23. Are judges running for retention required to file petitions?

No. Judges running for retention are required to file a Declaration of Candidacy for Retention with the Secretary of State on or before Sunday May 8, 2016, preceding the expiration of their term of office.

[Illinois Constitution, Article VI, Section 12(d)]

24. Does a candidate have to file his or her own nomination papers?

No. The candidate or a representative of the candidate can file the candidate's petitions.

25. May a candidate file his or her own petition and petitions for other candidates at the same time?

Yes.

26. May a candidate file for more than one office?

Yes, however, the candidate must withdraw from all but one office within five business days following the last day of petition filing, if the offices are incompatible. The withdrawal notice must be in writing and notarized. If he/she does not withdraw, his/her name will not be certified for any office. Judicial candidates at the circuit court level are limited to filing a single petition for one circuit court vacancy and/or a single petition for one subcircuit vacancy in any filing period. [10 ILCS 5/7-12(9)]

27. When may petitions be mailed?

There are no statutory requirements regarding a time element for mailing petitions. However, all petitions must be received during the filing period. All petitions received in the office prior to the opening of the office on the first day of the filing period or after the close of the office on the last day of the filing period will be returned to the sender.

[10 ILCS 5/7-12.6, 8-9, 10-6.2]

28. May a petition that has been filed be changed?

No. A petition once filed may not be added to or altered. However, the receipt(s) for filing Statements of Economic Interests may be filed at any time during the filing period.

[10 ILCS 5/7-10, 7-12]

29. Who can remove a signature from a nominating petition?

Only the circulator or the candidate on whose behalf the petition was circulated may strike a signature. However, an individual can submit a written request to the proper filing office to have his/her own name removed **before** the petition is filed.

[10 ILCS 5/7-10, 8-8, 10-3]

30. When a candidate withdraws his nominating petition, are the petitions returned to the candidate?

No. The original documents are not returned, but remain in the office where they were filed. They must remain in the office for a period of at least six months. [10 ILCS 5/10-7]
